Participants of all ages and skill levels are encouraged to race in this challenging series. In order to maintain the health and safety of hikers, runners, volunteers, guests and staff, pace requirements have been established for participants in the trail run series.

Hikers and runners are welcome to continue the race at their own discretion, but the finish line and aid stations will be taken down at times associated with predetermined paces. Participants still on the course after designated cut off times will not be eligible for awards and will be offered an escort to race HQ.

Pace requirement: 18 minutes per mile

All distances will be timed with chip timing by Three Way Racing
