Shaker Footprints: The Lost Village – Walk in the footprints of the Shakers and discover what history is hidden in plain sight! We'll learn how to "read" Pleasant Hill's natural and archaeological landscape, and in the process, learn to understand the processes that continually shape our world.

Adaptable for Grade Levels 9-12

Available: Year-Round   Max capacity: 25 students per group / 4 groups total

The Space Between – How did the Shakers use planning and design to solve problems? To find out, we'll get up close and personal with Shaker architecture. By looking at the spatial relationships within and between buildings, we'll get inside the heads of the people who built and once used them.

Adaptable for Grade Levels 9-12

Available: Year-Round   Max capacity: 25 students per group / 4 groups total

artiFACTS & Sources – Just the facts, ma'am! Artifacts, texts, and images can all be "witnesses" to history – but they all have slightly different stories to tell. We'll interrogate a variety of historical sources, compare notes, and cross-examine the past. Remember to always protect your sources!

Adaptable for Grade Levels 9-12

Available: Year-Round   Max capacity: 25 students per group / 4 groups total

Additional Programming Available in The Preserve, Adjacent to The Historic Centre

Nature Inspired – Did you know the Shakers wrote poetry? Explore your creative side in the Preserve at Pleasant Hill as we take a closer look at how nature inspired the Shakers. This interactive walk, interspersed with "sensory stops," will culminate in a poetry session where students will craft their own inspired writings.
